There is a very nice indoor arena where all of the intro tests, all of the CT dressage tests, and Training tests 1 and 2 will be held. The higher level tests will be held in the large arena on grass. Warmup will be in large outdoor arena with sand footing. Stadium jumping (for combined test) will be held, depending on footing, in either the sand outdoor arena or a rolling grass field. Jumps are straightforward, show-jumping type fences.
