

## **CDCTA SPONSORS A DRESSAGE CLINIC WITH STACEE COLLIER !**

Please join us for a **Ride-A-Test Clinic**

with **Stacee Collier at Stony Hill Farm**

**on Saturday August 14th 8:00 am**

\*This format will be for riders currently showing, that want tips on improving their test riding. You can ride a test, then we work thru the parts that need improvement. Or if you need help with the warm up, then we can ride the test after we work thru warm up issues.

\*If you are not currently showing or do not want to practice a test, you are also welcome to take a regular lesson and work on anything you wish.

\*Stacee has over 30 years of experience in the dressage world. She has trained 3 horses from starting them to Grand Prix Level showing them along the way. She has also started and worked with countless young horses. Stacee understands the importance of each horse and rider as an individual, and can quickly see the strengths and weaknesses to improve upon. All levels and breeds are welcome.
